Testimonials

“ The staff could not do enough to make our wedding celebration at Fletchers and Kitchen Garden Cafe go without a hitch. Wonderful venue and a great atmosphere.”

Noel & Paula

“ Thank you SO much for hosting our special day. The day was exactly how we imagined — a big party — and we absolutely loved our day! Big thanks for the rest of the team too, the day into night just happened so smoothly. The venue was absolutely perfect for our wedding party and we really didn't need to add much to complete the decor, because Kitchen Garden is already magical! Honestly, we had the BEST time and we can't thank Kitchen Garden and the team enough for hosting such a fun wedding party”

Rebecca & Jack

“ Our experience was perfect from start to finish. We were welcomed into this charming space for our first planning meeting. They made us feel welcome and valued from the very start. No idea was too big or too daft. What a powerhouse of enthusiasm and ability. The experienced manager turned the place from charming to magical as he transformed the cafe into our venue and ran the event with style and aplomb. Our guests keep mentioning even now how much fun they had and how blown away they were by the location, food, and what a great time they had. Thank you to everyone at the Kitchen Garden Café.”
